COME FROM AWAY

The remarkable True Story of the small town that welcomed the world

As the full horror of the terror attack on September 11th, 2001 became apparent, the US closed its airspace, grounding thousands of passenger jets globally. 38 of these flights were forced to land in Gander, a remote Newfoundland town with a population of just 9000 people. This musical tells the story of a particular set of passengers from just one of the grounded planes, and the hardy Gander residents who wholeheartedly welcomed them into their homes. 'Come From Away' has been a huge success on Broadway, nominated for 7 Tony Awards. It's a Canadian Musical ... written by Canadians ... about Canadians. *Don't Miss it!* Prior to the matinee performance, enjoy a **Full Course Luncheon of Choice at the Hot House Restaurant in downtown Toronto.**

**JUST \$189.00 PER PERSON***Cost includes Motorcoach Transportation, Lunch, Reserved Orchestra Seats, All Taxes and Meal Tip.*
